Dear Dr Foiklang:

Manuscript ID AN18779 entitled "Effect of sulfur levels in fermented total mixed ration containing fresh cassava root on rumen fermentation and gas production" with Dr Cherdthong as contact author has been submitted to Animal Production Science.

I invite you to review this manuscript. The abstract appears at the end of this letter, along with the names of the authors. Please let me know as soon as possible if you will be able to accept my invitation to review. If you are unable to review at this time, I would appreciate you recommending another expert reviewer. You may e-mail me with your reply or click the appropriate link at the bottom of the page to automatically register your reply with our online manuscript submission and review system.

In considering this request, if you believe that you cannot judge the manuscript impartially because of contact with the authors or a possible conflict of interest, please decline and provide an explanation to the Editor. For further information please see the Reviewer Guidelines for Animal Production Science (<http://www.publish.csiro.au/an/forreferees/RefereeGuidelines>).

Once you accept my invitation to review this manuscript, you will be notified via e-mail about how to access ScholarOne Manuscripts, our online manuscript submission and review system. You will then have access to the manuscript and reviewer instructions in your Reviewer Centre.

I realize that our expert reviewers greatly contribute to the high standards of the Journal, and I thank you for your present and/or future participation.

Sincerely,

Dr Zoey Durmic
Associate Editor for Animal Production Science
